

Income Reporting

General Information

1. Income Reporting must be completed by the contact person of the organization.
2. Income Reporting is made using the BELLEK Grant Management System (BELLEK GMS), as income is received, for ALL institution income, except for the Haklara Destek grant.
3. Income Reporting is made in Euro currency. In order to calculate the Income Report in Euros, the CBRT Foreign Exchange Buying rate valid on the date the income is received by the institution is used.
4. Income Reporting is completed at the latest when the Interim and Final reporting is done.
5. The Contracting Authority may request the correction of income reports and the provision of additional documents.

BELLEK Income Reporting Screen
